(b) whether the contract for Local Purchase Chemist (L.P.C.) has been assigned to the private agencies under the CGHS;

(c) if so, the reasons therefor;

(d) whether the private agencies are prepared to open counters in the hospitals for distribution L.P.C. medicines;

(e) if not, the reasons therefor;

(f) whether the L.P.C. medicines are made available to the patients after one or two days which results in the death of patients in most of me cases; and

(g) the measures taken being taken by the Government to discontinue this procedure?

Answer

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P. THAKUR)

(a): All Government hospitals and certain private hospitals/diagnostic centres are recognised under the Central Government Health Scheme (CGHS). A list of such private hospitals/diagnostic centres is given at Annexure-`A`.

(b)&(c): Private Chemists are appointed as Authorised Local Chemists under CGHS for the purpose of supplying medicines which are not available in the dispensaries.

(d)&(e): There is no proposal to open counters by authorised local chemists in CGHS recognised private hospitals for supplying medicines to CGHS beneficiaries as Out Patient Department (OPD) medicines are supplied to the beneficiaries through CGHS dispensaries only. Medicines required during Indoor treatment are provided by the hospitals themselves as per package deal rates and if the treatment is not covered under the package deal rates, then the cost of medicines is separately reimbursed to the CGHS beneficiaries.

(f)&(g): Medicines not available in CGHS dispensaries are procured through the Authorised Local Chemists and are generally supplied to the beneficiaries on the next working day. `Authority slips` are issued to the beneficiaries to obtain the non-available medicines directly from the authorised local chemists if the medicines are required urgently. Further, the CGHS beneficiaries have also been allowed the facility of direct purchase of medicines from any registered chemist during emergency and the reimbursement is to be made by the concerned office m the case of serving employees and by the CGHS in the case of pensioners.

No case of death due to delay in supply of medicines by CGHS dispensary has been reported. Further, there is no proposal under consideration of the Government to discontinue the system of appointment of Authorised Local Chemists under CGHS.
